Envisioning Beijing in 2020 Through Sketches of Urban Scenarios

Yan Song

Assistant Professor

Department of City and Regional Planning
University of North Carolina at Chapel Hill

January 20, 2006

12:30-1:45 p.m.

Hickerson House, 108 Battle Lane

Dr. Song was recently part of a team that provided technical assistance to the Beijing Municipal Commission of Urban Planning during its drafting of the Beijing 2020 Plan. Dr. Song will talk about her work to provide decision-makers in Beijing, China with an assessment of alternative development models through the introduction of scenario planning to the city's planning process. The city's rapid urbanization and its social, economic, and physical development challenges will also be discussed.
